Fall 1992, Issue No. 1

A Newsletter is Born

A JPI Perspective on Biodynamics

Searching for an Economic Reality: A Solution Michaelmas

(H. Courtney)

The Selke Biodynamic Cherry Tomato and Evergreen Elm Recipe for Planting Using B.D. Compost Starter (L. Rotheraine)

Winter 1992, Issue No. 2

Christmas (C. Coffin)

About Nutrition (B. Cashen)

Biodynamic Preparations (H. Courtney) The Gardens at JPI (G. Franceschelli)

Spring 1993, Issue No. 3

The Lenten, Easter, Spring Season (C. Coffin) A Farm Report (N. Franceschelli)

The Vegetable Gardens at JPI (G. Franceschelli) Biodynamic Preparations (H. Courtney)

Practical Biodynamic Research (H. Courtney) Words of Encouragement (C. Coffin)

Summer 1993, Issue No. 4

Josephine Porter – A Biodynamic Pioneer (C. Coffin) About Nutrition (B. Cashen)

Biodynamic Preparations (H. Courtney)

Selke, Courtney, and Evergreen Elm (L. Rotheraine) BD #501 (H. Courtney)

St. John's Day Festival (C. Coffin)

Fall 1993, Issue No. 5

The Season of Michaelmas (G. Franceschelli) Interview with Steve Moore (N. Franceschelli) Recipe for Making BD #500 (H. Courtney)

Winter 1993, Issue No. 6

Sequential Spraying – Illusion, Remarkable Coincidence, or Reality? (H. Courtney)

The Milk Spray / The Milk & Honey Spray

Description of a Sequential Spraying Technique Using the Biodynamic Preparations to Balance Forces of Plant Growth

Sequential Spraying Report Form

Does the Use of the Sequential Spraying Technique Actually Provide Drought Relief or Encourage Precipitation?

Ehrenfried Pfeiffer: A Profile (G. Franceschelli) Book List (Books about and by E. Pfeiffer)

Dr. Pfeiffer's BD Compost Starter and BD Field Spray (H. Courtney, C. Stearn)

A Nutrition Article: Nature . . . A Great Composer (B. Cashen)^[SEP]

Spring 1994, Issue No. 7

Seed Soaks with the Biodynamic Preparations (H. Courtney)

Spring in the Biodynamic Garden (H. Courtney)

Biodynamic Agriculture (J. Marquardt) Practical Observations

Summer 1994, Issue No. 8

Summer in the Biodynamic Garden (H. Courtney) Open House at JPI (C. Roden)

Alex Podolinsky Biodynamic Pioneer (N. Franceschelli) In Good Taste (B. Cashen)

On the Preservation of Foods (E. Courtney, C. Coffin) Horsetail Herb Equisetum arvense – BD #508 (H. Williams) Hugh

Williams' Recipe for BD #508 (Fermented Version) Hugh

Courtney's Recipe for BD #508 (Fermented Version) Capillary Dynamolysis of Fresh & Fermented Horsetail Tea Recipe for

Fresh Tea Version of BD #508

Lily Kolisko's Recipe for BD #508 (Fermented Version) About Biodynamics (S. Moore)

Fall 1994, Issue No. 9

Fall in the Biodynamic Garden (H. Courtney) Biodynamic Farming (J. Poppen)

Further Thoughts on Making BD #500 (H. Courtney) Compost or Biodynamic Compost ? (H. Courtney)

Winter 1994, Issue No. 10

Attention Readers: Six Titles by Manfred Klett

An Interview with Michael Wildfeuer: The Animal as Part of the Farm Organism (N. Franceschelli)

The Stockman Grass Farmer

More on Biodynamic Composting (H. Courtney)

The Union Agricultural Institute: Annual Conference (J. Coffin)

The Correct Use of Esoteric Knowledge-Biodynamics (C. Coffin)

Potting Soil: Some Recipes from Around the Country

Winter Warmth (B. Cashen)

Spring 1995, Issue No. 11

Direct Seeding (C. Townsend, R. Walker)

Reflections on the Past and Prospects for the Future at JPI (H. Courtney)

Reflections on Working with the Preparations (N. Franceschelli)^[SEP]

Summer 1995, Issue No. 12

BD #501 – The Horn Silica Preparation (H. Courtney) Attention Readers – Ehrenfried Pfeiffer: Notes and Lectures Amethyst

Spray (D. Klocek)

Introductory Biodynamic Workshop a Success (E. Coffin) Interview with Chris Stearn (C. Coffin)

Fall 1995, Issue No. 13

Interview with a Biodynamic Pioneer: Richard Okorn (N. Franceschelli)
Fats in a Nutshell (E. Cashen)
What Row Was It In ???? (C. Stearn) The Heart of Clay (D. Klocek)

Winter 1995, Issue No. 14

1995 – A Year of Change and Reaffirmation Biodynamic Culture of Potatoes (H. Courtney)
Practical Observation on Growing Biodynamic Potatoes (H. Courtney)
The Pfeiffer BD Compost Starter and BD Field Spray: A New Responsibility for JPI and Its Meaning for the Future

Spring 1996, Issue No. 15

Pokeberry and Pine Seed Sprays (S. Tufts)
Slugs and Snails and Pokeberry Jails (H. Courtney) Seed Baths Update (H. Courtney)
Mildred Cowger: A Life of Service (B. Wieting, H. Eubanks, W. Via)

Summer 1996, Issue No. 16

Dandelion Preparation: Mesentery or Peritoneum? (H. Courtney)
A New Way of Looking at Water: An Interview with Jennifer Greene (K. Dagostino)
Book Reviews: The Four Ethers by E. Marti and Silica, Calcium, and Clay by F. Benesch and K. Wilde

Fall 1996, Issue No. 17

Seed Saving and Biodynamics – An Interview with Hugh Williams (N. Franceschelli)

Winter 1996/Spring 1997, Double Issue No. 18–19

Moon-Saturn Occultation Alert (H. Courtney) Fiscal Reality Revisited (H. Courtney) Evergreen Elm Update
Confidence, Experimentation, and JPI “Prep Scholarships” (M. Gardner)
Stirring Vessels and Sprayers, Part 1 (H. Courtney)
Special Report: Some Guidelines for Experimentation in Biodynamic Agriculture (M. Gardner)

Summer 1997, Issue No. 20

Occultation Update (H. Courtney)
Stirring Vessels and Sprayers, Part 2 (H. Courtney) Developing a Hydraulic Stirring Machine (S. Storch)
Odyssey of a Seed Initiative: An Interview with Nathan Corymb (K. Dagostino)
Newly Received Publications: Grasp the Nettle by P. Proctor, The Metamorphosis of Plants by J. Bockemühl and A. Suchantke, New Eyes for Plants by M. Colquhoun and A. Ewald (H. Courtney)
Observations & Experiments

Fall 1997, Issue No. 21

Interview with Master Gardening Teacher, Gunther Hauk (N. Franceschelli)
Observations and Experiments: A Spectroscopic Analysis of BD Preparations #507 & #508 (D. Jensen)
BD Preps at Shepherd Hill Farm in Kentucky (A. Petty)
Book Reviews: Nature Spirits & Elemental Beings by M. Pogacnik (H. Courtney), The Secret Life of Nature by P. Tompkins (W. Wodraska)

Winter 1997–1998, Issue No. 22

Manfred Klett (H. Courtney)
The Yarrow Preparation (M. Klett)
Looking Back on the JPI Prep Seminar (R. Grimes)
Observations and Experiments: Some Effects of the BD Preps (S. Storch), Horsetail Tea and Bees (E. Lunquist)

A Name Change: “Barrel Compost” Becomes “BC” (Biodynamic Compound Preparation – Adapted from Recipe of Maria Thun) (H. Courtney)
When is Venus Behind the Sun ? (M. Gardner) Farming on the Barter System (A. Petty)
Interview with Mark Trela, Fragrant Farms (K. Dagostino)
Observations and Experiments: Parsley Revival (D. Foster), Golf Greens Revival (S. Storch)

Fall 1998, Issue No. 24

The Michaelmas Preparation: BD #504—Stinging Nettle (H. Courtney)
JPI Research Project 5 (Sequential Spraying for Drought Relief) Record Sheet
JPI Summer Prep Seminar (P. Moser)
Observations and Experiments: Weed Pepper Success, Chlorosis Cured with Horn Manure, Valerian and Frost Protection (M. Gardner)

Winter 1998–1999, Issue No. 25

A Tribute to Ehrenfried E. Pfeiffer For His 100th Birthday, Feb. 19, 1999 (M. Pawlicki)
Della Mae, Our One Cow Dairy (A. Petty)
Sequential Spraying—An Interim Analysis (M. Gardner)
Sequential Spraying Report Form
Personal Experiences with Sequential Spraying (C. Hall, J. McLeroy, L. Marks)

Spring 1999, Issue No. 26

Partial text from New Directions in Agriculture (E. Pfeiffer)
New ATTRA Publication on Biodynamics
Interview with Walter Stuber (N. Franceschelli)
JPI at the Threshold (H. Courtney)
Y2K Preparedness and the Biodynamic Preparations (H. Courtney)
Brick Pit BC (Thun Recipe Compost) (H. Courtney)

The Innocent Dandelion—A Messenger from Heaven (M. Gardner)
Efficient Dandelion Picking Or How To Pick When Your Back Hurts (A. Porter)
Book Reviews: Healing Plants: Insights Through Spiritual Science, Vol.1, by W. Pelikan (M. Gardner), Bringing a Garden to Life by C. Williams (J. Muir)

Fall 1999, Issue No. 27 Biodynamics Under Attack?

Entering the Deep Part of the Fiscal Ocean
Ashing or BD “Peppering” – A Function of Lunar Forces (H. Courtney)

Winter 1999–2000, Issue No. 28

Ashing or BD ‘Peppering’ – A Function of Lunar Forces – Part 2 (H. Courtney)
Working With Nature Spirits (P. Kelly)

Spring/Fall 2000, Double Issue No. 29–30

Saying Goodbye to the Twentieth Century (P. Smith) How to Make the Valerian Preparation (BD #507) (P. Smith)
The Valerian Preparation – Some Additional Perspectives (H. Courtney)
Book Reviews: Robes by P. Kelly (B. Lehman), The Birth of a New Agriculture and Developing Biodynamic Agriculture by A. Keyserlingk (P. Smith)

Winter 2000–2001, Issue No. 31

The Michaelmas 2000 Impulse – A Personal Experience (H. Courtney)
The Michaelmas Impulse: Giving Us the Direction We Need For the Year Ahead (P. Smith)
